

Walk & Talk Series

Walk & Talks are popular small-group guided tours led by local subject-matter and parks enthusiasts who share their insights into intriguing places throughout Minneapolis Parks.

Started in 2018, this sell-out series includes four monthly walks during the summer that offer even the most devoted Minneapolis parks-goer something new to explore. In 2020, we introduced printable and digital self-guided versions of these tours that extend the opportunity to a larger audience. This year, we will produce both in-person Walk & Talks, as well as our self-guided tours.
